

Debmarine Namibia Donates towards the Kalahari Homeless Indaba Project

Debmarine Namibia recently donated N\$121 225 .00 towards the Kalahari Homeless Indaba Project. The money will be used to build five galvanized zinc two bedroom houses in the Kalahari Constituency in Omaheke Region. Speaking on behalf of Debmarine Namibia CEO during the handover, Mr Willy Mertens said that the company's corporate social investment is committed to delivering a lasting positive socio-economic impact and creating a positive diamond legacy. Accepting the donation, was Hon. Kornelia Shilunga, the patron of the Kalahari Homeless Indaba Project. Hon. Shilunga said that there is a large number of people in the Kalahari Constituency that are still living in unbearable situations that of shacks and plastic houses. As such, these kind of houses are exposed to the sun, winter, rain, and other dangerous creatures such as snakes and scorpions. "I therefore applaud Debmarine Namibia for this outstanding contribution and gesture in striving to improve people's living conditions as their support towards obtaining sustainable development and economic emancipation" says Hon. Shilunga during the handover.
